# Patients, Providers, and Pills One Year After Dobbs

**March 15 @ 2:00 pm - 4:30 pm**

Join us for an interdisciplinary dialogue featuring two panels of legal and social science experts discussing the emerging research on abortion since the *Dobbs* decision. The first “Accessing and Providing Wanted and Unwanted Abortions” will examine the emerging research on how abortion bans are impacting the provision of reproductive healthcare and healthcare providers. The second, “Abortion Pills Above and Below Ground,” will discuss the use and criminalization of medication abortion, and the mifepristone case *Alliance for Hippocratic Medicine v. FDA*, granted certiorari by the Supreme Court.

RSVP here: <https://forms.gle/DmyXnpyiG64EeLY96>

Please see the agenda and speaker list below.

Panel I: Accessing and Providing Wanted and Unwanted Abortions

The goal of this panel is to examine the emerging research on the myriad ways abortion bans are impacting the provision of reproductive healthcare and healthcare providers.

Michelle Oberman

## Panel II: Abortion Pills Above and Below Ground

The goal of this panel is to explore the use and criminalization of medication abortion and the mifepristone case granted cert by the US Supreme Court.
